

MANAGEMENT CATEGORIES AND LEVELS OF SIGNIFICANCE
(under section 4.3 of this Policy)

Management Category	Level of Significance	Description	Required outcome
A+	State significance	Already recognised at the highest level - the State Register of Heritage Places.	<p>The place should be retained and conserved unless in the Heritage Council's opinion there is no feasible and prudent alternative to doing otherwise.</p> <p>Development requires consultation with both the Heritage Council of Western Australia and the City of Rockingham.</p> <p>Any alterations or extensions should reinforce the significance of the place, and be in accordance with a Conservation Plan (if one exists for the place).</p>
A	Exceptional significance	Worthy of the highest level of protection - recommended for entry into the State Register of Heritage Places.	<p>The place should be retained and conserved unless in Council's opinion there is no feasible and prudent alternative to doing otherwise.</p> <p>Development requires consultation with the City of Rockingham.</p> <p>A detailed Heritage Impact Statement should be undertaken before Council determines an application for any major redevelopment.</p>
B	Considerable significance	Worthy of a high level of protection.	<p>Conservation of the place is highly desirable.</p> <p>A detailed Heritage Impact Statement should be undertaken before Council determines an application for any major redevelopment or demolition.</p>

Management Category	Level of Significance	Description	Required outcome
C	Some/Moderate significance	Retain and conserve if possible.	<p>Conservation of the place is desirable.</p> <p>A detailed Heritage Impact Statement should be undertaken before Council determines an application for any major redevelopment or demolition.</p> <p>If demolition or major redevelopment is approved, an archival record will be required, in accordance with Heritage Council of Western Australia standards.</p> <p>If demolished, the place should be recognised, for example, with a plaque, place name, or acknowledged in new urban or architectural design.</p>
D	Little significance	Significant, but not essential to an understanding of the history of the district.	<p>If demolition or major redevelopment is approved by Council, an archival record will be required, in accordance with Heritage Council of Western Australia standards.</p> <p>If demolished, the place should be recognised, for example, with a plaque, place name, or acknowledged in new urban or architectural design.</p>
E	Site of significance	Historic site. Not included in Heritage List.	Recognise/interpret heritage values - for example, with a plaque, place name, or acknowledged in new urban or architectural design.
